Additional comments and suggestions

Course Content	<ul style="list-style-type: none"> • Terrible to read. Very dry • Was good and adequate • The required textbook was full of information that wasn't met in the course • Informative • Readings were not very interesting, learned more in class discussions • Good overall
Facility/ Resources	<ul style="list-style-type: none"> • Perfect • Good technology • Web service and iLearn systems never work. Login always has to be reset
Instructor	<ul style="list-style-type: none"> • Best one I have had doing Supply Management course. Strongly recommend. Highly knowledgeable. Wish he was teaching more classes • He was great. By far the best one in the set of Supply Management Courses • Gary was an excellent teacher. Knew a lot about the topic and I hope to learn from him again in future courses • Brought real life experiences into class • Was very easily understood, clear communication • Gary was a great instructor, I hope to have him again n another course • Well prepared and lots of topic knowledge
